# Class Report

| | | | |
|---|---|---|---|
| Class Name | | Class Location | |
| Class Type | | Trainer | |
| Start Date | | End Date | |

## Evaluation Summary:

| | | | |
|---|---|---|---|
| Class Room | | Content | |
| Instructor | 4.74 | Overall Satisfaction | 4.54 |

## Student Feedback:

 - More labs or hands on exercises if possible
 - Giving some more time for the Labs
 - More specific examples related to my industry/company
 - There is so much information, and majority is slides only. Would be helpful to have more real demo's and examples, including videos etc.
 - All Good
 - Adding in some labs that have broken setups and we have to fix it with what we have learned would be an incredible learning tool
 - Yes
